Subject: **Thank You for a Successful Launch of the Parnassus Agro Park**

Dear Team,

I am writing to extend thanks and congratulations to each and every one of you for the outstanding support you provided in making the launch of the **Parnassus Agro Park** a resounding success.

From the planning stages in working with our colleagues at the parent Ministry to the execution on the day, your professionalism, commitment, and teamwork were on full display — and the results spoke for themselves.

We presented Agro-Investment Corporation at its very best: focused, energized, and ready to lead Jamaica's agricultural future.

The success of this event was not by accident. It was the product of hard work behind the scenes — coordinating logistics, managing stakeholders, refining presentations, ensuring the site was ready, and, most importantly, representing the Corporation with pride and passion. Every detail, every effort, every hour you dedicated made a difference. Across the organization from Agro Parks to Properties, from Finance to Business Development from Marketing to HR/Admin the power of teamwork was felt.

The feedback from our partners, farmers, and guests has been overwhelmingly positive. And it is clear that Agro-Invest is not just managing agricultural lands — we are building a movement, inspiring confidence in our leadership, and planting seeds for a stronger Jamaica.

This launch was an important milestone, but it is only the beginning. With the momentum you have created, we are well-positioned to drive even greater successes in the months ahead. Let's continue to work together with the same spirit of excellence, collaboration, and vision that made Parnassus a model for the future.

Once again, thank you for your unwavering support and for believing in what we are building together. I am proud to lead this remarkable team.

Let's keep growing — together.

Sincerely,
Vivion Scully
Chief Executive Officer
Agro-Investment Corporation
